Sir:

**REMARKS**

Applicant respectfully requests a petition for amendment after allowance under 37 CFR 1.17(i).

The amendment is necessary for the Applicant's drawings to be in compliance under 37 CFR 1.84(u).

The sequence of communication from the Patent Office to the Applicant follows. The Applicant received Notice of Allowance for the aforementioned application dated December 3, 2004. In the Notice of Allowance, it was noted that the Examiner accepted the drawings filed on November 8, 2004 by Applicant.

Nearly three months later, the Applicant received PTO-948 Notice of Draftsperson's Patent Review dated March 2, 2005, whereby the Draftsperson objected to the numbering of views under 37 CFR 1.84(u). Figure 1 on page 1/3 and 2/3 require renumbering and were amended to Figure 1A and Figure 1B, respectively. It follows that the specification requires amending to reflect the new numbering scheme. On March 2, 2005 (the same date recorded on PTO-948), the Applicant paid the allowance fee.

Applicant enclosed the amendment with the petition for consideration. Please charge the \$130.00 fee to deposit account 10-0210.

Respectfully submitted,  
JACOBSON AND JOHNSON
